Yesterday, Today and Tomorrow!

I cannot think of a more fitting giving campaign for Westminster at this time. With gratitude, we stand on the shoulders of those who went before us, who established this ministry, who brought us to this location, who "carried the ball" of gospel proclamation in **YESTERDAYS** gone by. We are still building on the foundation they established.

Raising of the steeple

50 luminaries are lit to remember 500,000 COVID deaths

TODAY, we who are present in the life and ministry of this congregation, have journeyed with strength and courage through some of the most challenging times our nation and world have seen. And we have not only NOT lost heart, but have poured ourselves into mission in this season, being nimble, energetic and courageous.

Our tech team broadcasts worship to the Maris Grove TV channel

Who could've known the resources we committed to live-streaming a few years ago would bless our life and worship so richly this past year; or that our virtual attendance would be triple what our in-person attendance was; or that new members would join who live hours away because they worship online?

Gathering of Men holds a hybrid meeting

We are returning to congregational life and ministry that will likely look both the same and different from years past, and are well-poised for whatever **TOMORROW** brings. We have a succession plan to provide a seamless transition to the next chapter of leadership. We are confident that exciting times are ahead, because we belong to a God who "...by His power at work within us can do infinitely more than we dare to ask or imagine!" Your

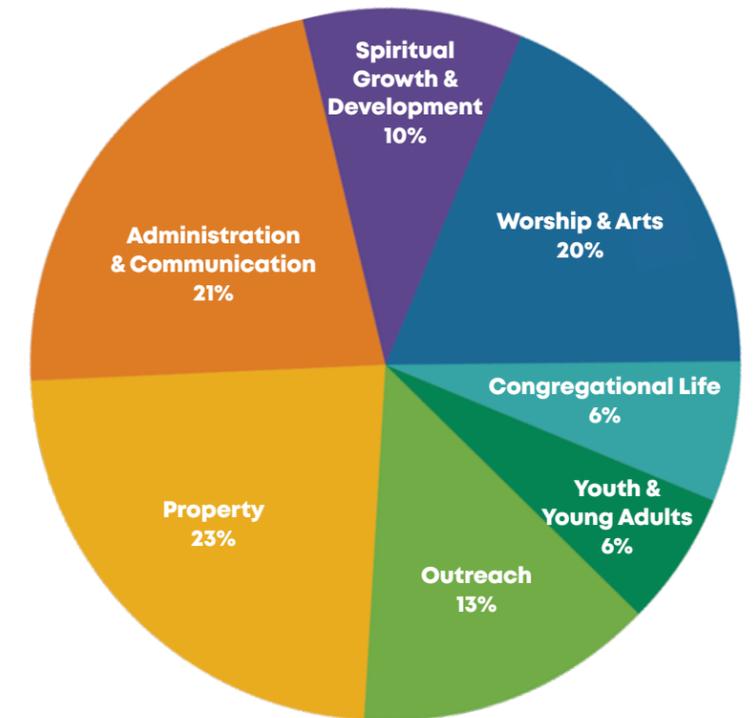

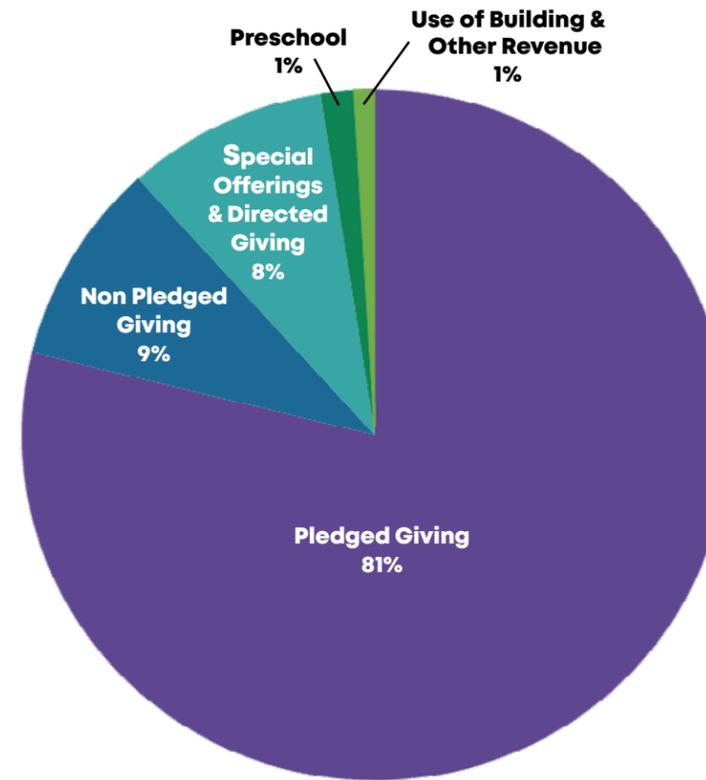

generosity in gratefully responding to all of God's blessings has kept us on solid financial footing in a season of great uncertainty. I invite you to consider increasing your pledge, or making a pledge if you haven't done so before, and join me in making certain we are fully funded to serve the Gospel and the community in 2022 as we **Know Christ and Make Christ Known!**

Giving Campaign

Commitment Sunday is October 3, 2021

Where does \$2,639,564 come from?

How do we spend \$2,639,564?

Where are you on the chart?

Our congregation's giving by the number of pledges and dollar amount of annual giving. Be generous and step up this year by increasing your giving for 2022.
