OUR VISION

LOVING GOD, LOVING NEIGHBOR (MARK 12:30-31)

To instill a sense of wonder about God's stories... our stories.

To show them they are BELOVED children of God, and nothing can separate them from the Love of God in Christ Jesus.

To ensure our children are an integral part of the ministry and mission of this congregation because our children are not the future of the church... they are the NOW of the church.

OUR CHILDREN AND FAMILY MINISTRIES...

... are Christ-centered. The curriculum is Bible-based and relevant to children's lives.

...build relationships. We help children discover their relationship with God. We want every child to be known and loved, and to build lasting friendships.

...believe all God's children are graced by the Holy Spirit. Through worship, prayer, encouraging their natural sense of wonder, and intentional service, we foster children's spiritual growth.

...place a high priority on safety and security. We provide children with a safe, fun, and welcoming place to explore their personal relationships with God. All of our volunteers have background clearances and are PA safe child certified. We have safety policies and procedures in place to make their safety our #1 priority.
